Excelentíssimo Senhor
Primeiro Ministro

Lisboa, 8/6/1996

Excelência:

Para melhor e ulterior esclarecimento, devo informar que a viabilidade do programa sugerido na minha carta junta depende da obtenção de suporte e ajuda, nomeadamente financeira.

A única fonte para todas as despesas realizadas por LAMETA até ao momento tem sido o nosso trabalho e algumas reservas a que eu e o meu colega Sr. António Rodrigues nos sentimos obrigados a lançar mão.

Baseado nos gastos feitos relativos à campanha que temos desenvolvido até ao momento, necessitamos duma ajuda financeira mínima no valor de $40,000 que nos permitirá a realização da campanha delineada e descrita, até fins de Março de 1997. Só assim poderemos continuar os nossos esforços. Sem tal ajuda não vemos qualquer possibilidade de continuar a fazê-lo, custe-nos embora muito por estarmos capacitados da absoluta necessidade de tal empreendimento.

Na esperança do seu bom acolhimento e com os meus melhores cumprimentos,

João Crisóstomo
Presidente, LAMETA

Mr. President,

Extermination and annihilation as a nation should not be the only choice for the people of East Timor.

Indonesia has so far completely ignored basic human rights, world opinion and the several resolutions passed by the UN.

The parallel circumstances of Kuwait and East Timor should not be treated with different standards.

If the occupation of East Timor was intended to prevent a communist threat, as claimed, that threat no longer exists.

We strongly believe that the US is in a unique position, able to easily convince Indonesia to let a Referendum take place, under the auspices of the UN, that allows the people of East Timor to choose their own destiny. The results of such, be it integration or otherwise should be accepted and respected.

We appreciate your past statements on this issue and vehemently ask you to pursue this matter until this present-day Holocaust comes to an end.

East Timor, Mr. President, is a test to your and our integrity and dignity as human beings and as Americans.

Please don't let us down Mr. President.
